“I’m a student, where can I find my survey?”

1. Go to <http://courseval.callutheran.edu> and login with your CLU username and password.

2. Click on the **Survey** tab to see available surveys.

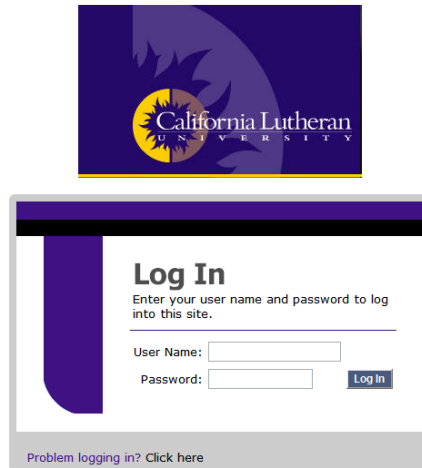

3. If the students are not able to see any surveys, it could be for the following reasons:
 - a. Classes with less than 5 students are not evaluated.
 - b. Other classes not evaluated include: ECON labs, COMM internship, Student Teaching, and Freshman Seminar.
