2002  with Julius Bianchi. “Extending the Personal Response System (PRS) to Further Enhance Student Learning.” SSGRR International Conference Aquila, Italy;

1999  “Using E-Designed Courses To Enhance Teaching And Learning.” Presentation given at WebNet 99--World Conference on the WWW and Internet in Honolulu, Hawaii.

1999  with Julius Bianchi. WASC 75th Annual Meeting, "Implementing Strategic Initiatives through a New Multimedia Program." Newport Beach, CA.

1999  with and Julius Bianchi. WASC 75th Annual Meeting, "A Faculty Program for Excellent Teaching with Technology." Newport Beach, CA.

1998  “Using Technology to Improve the Quality of Student Research in the Literature Classroom,” paper published in The Fifteenth International Conference on Technology and Education Proceedings, Grand Prairie, TX: International Conferences on Technology and Education, Inc.
1998  “Technology-Based Research: A Centralized Paradigm for the Higher Education Curriculum.” Presentation at the International Conference on Technology in Education (ICTE), Santa Fe, NM.

1997  with Sharon Gerstel. “Using Technology to Bring content Closer to the Student: Art History and Literature Examples”—a joint presentation—Joan Wines of California Lutheran University and Sharon Gerstel of the University of Maryland, EDUCOM ’97: Embracing the Changing Learning Environment, Minneapolis, MN.

1997  with Julius Bianchi. “Collaborative, Student-Centered Learning: A Team Taught, Outcomes-Based Model for the Networked Community”—a poster session—EDUCOM ’97: Embracing the Changing Learning Environment, Minneapolis, MN.

1997  “Student Collaborative Web Site Projects,” a study group presentation, NCTE Summer Institute for Teachers of Literature: Literature and Literacy in an Age of Technology: Implications for Classroom Practice, Myrtle beach, SC.

1997  “Collaborative, Student-Centered Learning: A Team-Taught, Outcomes-Based Model for the Networked Community,” Technology in Education Conference and Exposition, Convention Center San Jose, CA.

1997  “Reconfiguring the Business Communications Classroom: An Outcomes-Based, Team Taught Approach,” Association for Business Communications Conference: Western Regional Meeting, Costa Mesa CA.

1995  "Inaugural Poetry: An Emergent U.S. Genre," published in the MacBethConference Journal in conjunction with the presentation of a multimedia project at the MacBeth Conference: Computing in the Liberal Arts and Sciences, Bethany College, W. VA.

The jumping game (with M. Tomova), in preparation.

Engaging Students via In-Class Worksheets, invited submission to The Innovative Teaching Exchange, in preparation.

2003  Optimal pebbling of paths and cycles (with T. Friedman), submitted to Discrete Mathematics, May.

2003  On the number of arcs in primitive digraphs with large exponents (with Jian Shen), Linear Algebra and its Applications 364, 243 – 251.

1997  Chaotic properties of one dimensional dynamical systems (with T.H. Steele), Encyclia.

1995  The Hermite invariant as graph invariant, Congressus Numerantium 111, 65 – 76.

Selected Presentations

2004  (Title to be determined), invited colloquium speaker at California Polytechnic University, Pomona.

2004  Optimal Pebbling, Part II, American Mathematical Society Session on Combinatorics, Phoenix, AZ.

2003  Graph Pebbling, CLU Department Seminar, October 20.

2003  Pebbling and Optimally Pebbling Graphs, invited talk at So. Cal. Section of the Mathematical Association of America, Fall Meeting, California Polytechnic University, Pomona, CA, October 4.

2003  Mathematical Games, Tidbits, and Puzzlers, guest speaker at the Ventura County Math Council’s Annual Awards Banquet, Ventura.

2003  Prove It!, Mesa State College Department Seminar.
2003 *Pebbling Graphs*, Mesa State College Department Seminar.

2002 *How to get Undergraduate Students to do Research*, invited panelist (twice), So. Cal. Section of the Mathematical Association of America, Fall Meeting, Cerritos College, October 12, and Spring Meeting, CSU Fullerton, March 17, 2001.

2002 *Effective Teaching using Worksheets*, So. Cal. Section of the MAA, Fall Meeting, Cerritos College, October 12.

2000 *Bounds on the number of arcs in primitive digraphs*, California Institute of Technology Combinatorics Seminar.

1996 *Why Do Mathematicians Insist on Proof? (... or do they?)*, Weber State University, Mathematics Club Presentation.

1996 *Primitive matrices containing primitive submatrices*, Mathematical Association of America Regional Conference, Grand Junction, CO.

1995 *Easy problems, seemingly hard problems, and those in-between (P vs. NP and Graph Isomorphism)*, Weber State University, Mathematics Department Colloquium.

1995 *The Hermite invariant as graph invariant*, 26th Southeastern International Conference on Combinatorics, Graph Theory, and Computing, Boca Raton, FL.
