Major Leadership Accomplishments

- Served as Strategic Planning Director for Flory Academy of Sciences and Technology (Moorpark Unified School District). Developed a 7-year plan to convert the school from a middle grades community elementary school (serving 4th and 5th grade) to a district-wide K-5 magnet school for sciences and technology.
- Provided leadership and organizational support for the development of Professional Development School (PDS) partnerships between CLU and local school districts. This work has resulted in four strong PDS sites which offer residency model field opportunities for multiple subject, single subject and special education candidates.
- Founded (2010) and currently serving as president of the Southern California Professional Development Schools Consortium (SCPDS www.scpds.org) an organization devoted to providing resources and advocacy for the PDS and residency models of teacher preparation.
- Provided leadership and management oversight for the merger of CLU's Department of Special Education and the Department of Teacher Education which resulted in a new Department of Learning and Teaching. This merger resulted in reorganization of course offerings, co-teaching opportunities for faculty, improved opportunities for enrollment management and consistency in the delivery models for preliminary credentials.

- Member of the CLU Graduate School of Education Stockdale Taskforce which was a strategic planning initiative with a focus through 2017.
- Provided leadership for the development and archiving of signature assignments across all Graduate School of Education programs for aggregating and disaggregating data for program improvement and accreditation reporting.
- Directed and provided professional guidance for the Vision 2020 Strategic Planning Committee for Catholic Charities of Ventura County which resulted in the writing and adoption of a 5-year strategic plan through 2020.
- Directed and provided professional guidance for the Board of Directors of the NAPDS in the writing and adoption of a 5-year strategic plan through 2021.
