## **EDUCATION**

M.P.H. Public Health, Harvard University, Cambridge, MA 6/98  
Ph.D. Clinical Psychology, Center for Psychological Studies, Albany, CA 8/91  
Ed.D. Educational Psychology (Health Psychology emphasis), Northern Illinois University,  
DeKalb, IL 5/87  
M.A. Psychology, Sonoma State University, Rohnert Park, CA 5/84  
Certificate, Italian Language & Culture, L'Universita per Stranieri, Perugia, Italy, 12/81  
B.A. Biology, University of California, Santa Cruz, CA 6/81

## **CERTIFICATION**

Psychologist License, State of California, #PSY11297 (inactive)

## **PROFESSIONAL EXPERIENCE**

Professor of Psychology, (tenured August 2002) 2002-Present  
Chair of Psychology, 2001-2005, 2010-2011  
Associate Professor of Psychology, 2001-2002  
California State University Channel Islands, Camarillo, CA 2001

Initial responsibilities include planning and governance of the institution through service on campus-wide, divisional, and Academic Senate committees. Responsibilities within the discipline will include teaching foundation courses in Psychology as well as upper-division courses in Psychology and related areas. Responsibilities beyond the discipline include teaching interdisciplinary and General Education-Breadth courses at both introductory and advanced levels. Promoting cross-cultural awareness and service to the community including preparation of teachers. Defining facilities and equipment needs for Psychology. Developing curricula for a Psychology, Liberal Studies and Education Bachelor of Arts and Masters Degrees, and Teacher Credential programs facilitating the integration of the Psychology curriculum within the full complement of academic programs to be offered at CSUCI. Conduct research and other scholarly activities and disseminate results.

Lecturer, Graduate School of Psychology, California Lutheran University, Oxnard CA, 2013-Present

Taught courses in group psychotherapy and advanced psychopathology. Advised graduate psychology students on writing, statistical skills and thesis/dissertation research design. Served on thesis/dissertation committees as reader.

Director of Assessment, Harvard Medical School, Boston, MA 1998-2001

Designed and implement methods for evaluating student competencies and faculty performance. Implemented and analyzed student course surveys, graduate surveys, student orientation surveys and other surveys as needed. Provided support to the Dean, Masters, and other administrators for curricular support and faculty performance. Provided oversight and leadership for Office of Educational Development information and Internet technology strategies and functions. Supervised office IT staff. Developed and administer workshops and presentations on research methodologies and evaluation strategies for medical education. Provided research consultation on faculty research related to medical education. Provided evaluation support for faculty development efforts. Served as liaison to various outside agencies.

Lecturer in Medical Education (Equivalent to Assistant Professor), Harvard Medical School, Boston, MA 1998-2001

Taught research design, program evaluation, psychometrics, and statistical analysis in the Harvard-Macy Program and for Harvard Medical International. Guided medical students on educational research projects. Wrote cases and other teaching material. Conducted research in medical education. Developed statistics and research design courses for post-doc master's degree program.

Web Research Consultant, Interactive Marketing Services, Hewlett-Packard Company, Cupertino, CA 1996-1998

Conducted WWW-related marketing research including competitive analyses and online surveys. Administered the web metrics program and provided regular log file analysis reports to over 30 internal clients. Solved technical issues related to statistical analyses, processing log files and database information. Created project schedules and budgets. Supervised contractors. Presented study results to marketing and other managers.

Clinical Psychologist, Private Practice, Santa Cruz and San Francisco Bay Area, CA 1990-1997

Offered both brief and long-term psychodynamic psychotherapy to individuals and groups. Worked with client and family of origin issues related to substance abuse, child abuse, and domestic violence. Conducted neuropsychological screening and psychological testing. Created applied behavioral analysis programs. Also functioned as a psychological consultant for various agencies and organizations. Worked with adult and geriatric populations.

Site Reviewer, Council for Private & Post-Secondary and Vocational Ed, Dept of Ed, State of CA, Sacramento, CA 1995-1997

Served as an accreditation reviewer for state approval of various graduate schools.

Adjunct Faculty, Center for Psychological Studies, Albany, CA, John F. Kennedy University Graduate School of Professional Psychology, & Wright Institute, Berkeley, CA 1991- 1998

Taught courses in research methodology, program evaluation and design. Advised graduate psychology students on writing, statistical skills and dissertation research design. Served on dissertation committees as chair and reader.

Academic Dean – Chief Academic Officer, Five Branches Institute, Santa Cruz, CA, 1995-1996

Was responsible for all academic functions of the school, including admissions, budgeting, curriculum development, faculty recruitment and retention, testing, and development of new programs. Supervised all faculty and staff. Served as chief liaison between the academic branch of the school and the Board of Directors

Professor & Faculty Chair, Dept. of Modern Sciences, Five Branches Institute, Santa Cruz, CA 1994-1996

Taught psychology, psychopathology, research methodology and statistics to graduate students in allied health profession masters program. Served as administrator for the Modern Sciences Department. Responsible for faculty evaluation and course assignments.

Clinical Psychologist and Vice Chair of Psychology, Agnews State Hospital, San Jose, CA 1991-1996

Applied psychological knowledge and techniques to the problems of mental and developmental disabilities in adults and children. Conducted behavior modification and applied behavior analysis, as well as various forms of group and individual psychotherapy. Administered, scored and interpreted psychological tests. Assessed patients and made recommendations on admission, diagnosis, discharge and medication. Conducted mental health training for hospital staff. Applied psychological research techniques for the scientific understanding of maladaptive and disturbed behavior. Provided EAP services for hospital staff. Served as Chair of the Intern Supervision Committee and as a member of the Bioethics Committee. Also, served as chair of the Behavior Restriction Review Committee and as a member of the Psychologist's Credentialing Committee.

Assistant to the Dean for Research and Evaluation, Graduate Studies and Research, University of California at Santa Cruz, CA 1989-1991

Managed external program review of academic programs. Coordinated efforts of the Graduate Division with Academic Divisions and external review team members. Made suggestions for program improvement and implementation of review team suggestions.

Suggested and reviewed proposals for new graduate programs. Worked with faculty to improve proposals. Reviewed proposals for the establishment of Organized Research Units. Advised the Dean with regard to support for specific proposals. Wrote policy for human subjects research protocols. Coordinated university-wide T.A. training efforts and worked with faculty and graduate students to improve T.A. training. Provided support to the Admissions Dean on projected enrollment of minority graduate students. Surveyed minority students for recruitment and retention purposes. Provided oversight for seed fund grant awards program for faculty members. Managed and organized grant awards totaling \$300,000 per year. Reviewed proposals and advised the Dean on distribution of funding. Directed Information Technology efforts for the Graduate Division.

Research Associate, ETR Associates, Santa Cruz, CA 1988-1989

Managed research components of company projects, initiated and prepared agency grant proposals. Developed and revised instruments for the assessment of abilities and attitudes. Provided technical assistance to school districts throughout CA and the US. Analyzed and interpreted assessment data. Disseminated assessment results through the preparation of reports and manuscripts.

Visiting Assistant Professor & Director, Office of Research, Department of Educational Psychology, Northern Illinois University, DeKalb, IL 1987-1988

Taught graduate and undergraduate courses in general psychology, adolescent psychology, research design and tests and measurement. Conducted research in the social psychology of health. Provided advising to undergraduate and graduate students on writing and statistical skills. Designed research projects for faculty members as an in-house consultant. Supervised a staff of eleven. Functioned as a liaison between the research office, faculty and college administrative offices.

Postdoctoral & Predoctoral Internships, Department of Educational and Counseling Psychology, Northern Illinois University, DeKalb, IL 1985-1988, supervision with Marvin Powell, Ph.D., Licensed Clinical Psychologist

Health Promotion Project: Assessed health behaviors of older adults. Conducted interviews with older adult clients. Administered test batteries. Determined intervention strategies. Provided therapeutic intervention and supervised the intervention efforts of project interns.

Department of Special Education: Developed behavioral modification programs for developmentally disabled clients. Implemented behavior plans and observed client behaviors. Evaluated behavioral change and assessed clients for the ability to function in mainstream educational settings.

University Tutorial Program: Worked as a counselor and consultant to the university EOP program. Provided individual and group counseling to minority students. Worked with issues related to ethnicity, class and gender. Taught study skills and well as provided career counseling to students.

Research Associate, Older Adult Project, Health Promotion Research Program, Social Science Research Institute, Northern Illinois University, DeKalb, IL 1985-1987

Studied health behaviors of older adults. Administrated the project on a day to day basis. Designed strategies for the assessment of attitudes and abilities of older adult clients. Developed testing instruments. Performed multivariate statistical analyses. Wrote research reports and journal articles. Supervised efforts of five research assistants.

Graduate Assistant, Dean's Office, College of Education, Northern Illinois University, DeKalb, IL 1984-1985

Served as an assistant to the associate and assistant deans. Assisted in enrollment projections and calculating the college budget. Received training pertaining to the computerization of the college record keeping system and edited the associate dean's newsletter.

Teaching Assistant, Department of Psychology, Sonoma State University, Rohnert Park, CA 1983-1984

Taught introductory psychology and a graduate course in transpersonal psychology. Instructed students in an autonomous class section. Prepared lectures, graded papers and exams

Teacher, First Grade, Peninsula School, Menlo Park, CA. 1983

Team taught first grade students in an innovative, small-group program. Prepared lessons, graded students.

Psychiatric Assistant, Harbor Hills Hospital, Santa Cruz, CA 1980 -1981

Worked as a member of the floor staff in a 99 bed locked-in psychiatric hospital. Provided a therapeutic milieu for patients. Administered a behavior modification program. Conducted individual and group therapy sessions. Intervened in crises including suicide attempts and violent psychotic episodes.

Evaluation of WEDGE AIDS Education Program: Summary Report. Prepared for the San Francisco Department of Public Health, September, 1989 (with Joyce V. Fetro, Ph.D.).

Teaching AIDS Training Project The First Two Years. Report prepared for the Teaching AIDS Training Project Advisory Committee and the Centers for Disease Control, Atlanta, GA, October, 1989 (with Patti Britton and Janet Collins, Ph.D.).

Interactive Video Substance Abuse Prevention Phase II. The Fotonovela Approach to Substance Prevention II. Grant proposal developed for the DHHS, Washington, DC, April, 1989 (with Joyce V. Fetro, Ph.D. and Ana C. Matiella).

California AIDS Clearinghouse Grant Reapplication. Grant proposal prepared for the California Office of AIDS, Sacramento, CA, April, 1989 (with Susan Cooper, Ana C. Matiella, Lynn Adams and Merry Law).

Teaching AIDS Training Project Grant Reapplication. Grant proposal prepared for the Centers for Disease Control, Atlanta, GA, March, 1989 (with Patti Britton, Janet Collins, Ph.D. and Cherri Felder).

Teaching AIDS Training Project Grant Final Report. Report prepared for the Centers for Disease Control, Atlanta, GA, December, 1988 (with Patti Britton, Janet Collins, Ph.D. and Cherri Felder).

Family Life Education Network. Office of Family Planning, State of California. (with Patti Britton, Janet Collins, Ph.D. and Cherri Felder).

Pregnancy Prevention Skills Curriculum: Progress Report Year Two. Prepared for the Stuart Foundation, San Francisco, CA, October, 1988 (with Richard Barth, Ph.D. and Joyce V. Fetro, Ph.D.).

Discriminant Analysis of Variables Predicting Classification of Students in the Honors Program. Report for the Calumet Unified School District, Calumet, IL, November, 1987 (with Marvin Powell, Ph.D.).

## **LIST OF COURSES TAUGHT**

*California Lutheran University* (doctoral level)

Fall 2013: Group Psychotherapy

Spring 2014: Extreme Psychopathologies, Strange Behaviors & Culture-Bound Syndromes

Fall 2014: Group Psychotherapy  
Spring 2015: Existential Psychology & Psychotherapy  
Fall 2015: Group Psychotherapy

*California State University Channel Islands* (undergraduate level)

Fall, 2002: Psychology and Traditional Asian Thought  
Spring, 2003: Psychology and Traditional Asian Thought  
Spring, 2003: Psychopathology & Literature  
Spring, 2003: Clinical Internship  
Fall, 2003: Psychology and Traditional Asian Thought  
Fall, 2003: Evolutionary Psychology & Human Behavioral Ecology  
Fall, 2003: Clinical Internship  
Spring, 2004: East Asian Warrior Cultures  
Spring, 2004: Psychopathology & Literature  
Spring, 2004: Tai Ji  
Spring, 2004: Clinical Internship  
Fall, 2004: Psychology & History of Nazi Germany  
Fall, 2004: Psychology and Traditional Asian Thought  
Fall, 2004: Tai Ji  
Fall, 2004: Psychology of Leadership  
Fall, 2004: Clinical & Abnormal Psychology  
Spring, 2005: Tai Ji  
Spring, 2005: East Asian Warrior Cultures  
Spring, 2005: Clinical & Abnormal Psychology  
Spring, 2005: Clinical Internship  
Fall 2005: Psychology of Leadership  
Fall 2005: Psychology & Traditional Asian Thought  
Fall 2005: Psychology and Chinese Martial Arts  
Fall 2005: Clinical Internship  
Spring 2006: Psychology & History of Nazi Germany  
Spring, 2006: Clinical Internship  
Fall 2006: Psychology & Traditional Asian Thought  
Fall 2006: Psychology of Leadership  
Fall 2006: Clinical Internship  
Spring 2007: Bizarre Behavior & Culture-Bound Syndromes  
Spring 2007: Seminar in Jungian and Archetypal Psychology  
Spring, 2007: Clinical Internship  
Fall 2007: Psychology & Traditional Asian Thought  
Fall 2007: Psychology of Leadership  
Fall 2007: Clinical Internship  
Spring 2008: Bizarre Behavior & Culture-Bound Syndromes  
Spring, 2008: East Asian Warrior Cultures  
Spring, 2008: Clinical Internship  
Fall, 2008: On Sabbatical  
Spring 2009: Bizarre Behavior & Culture-Bound Syndromes  
Spring 2009: Psychology & History of Nazi Germany  
Spring, 2009: Clinical Internship  
Fall 2009: Psychology & Traditional Asian Thought  
Fall 2009: East Asian Warrior Cultures

Fall 2009: Psychology of Leadership  
Fall 2009: Clinical Internship  
Spring 2010: Bizarre Behavior & Culture-Bound Syndromes  
Spring 2010: Psychology & History of Nazi Germany  
Spring, 2010: Clinical Internship  
Summer 2010: Psychology & History of Nazi Germany  
Summer 2010: History and Systems of Psychology  
Summer 2010: History and Systems of Psychology  
Fall 2010: Psychology & Traditional Asian Thought  
Fall 2010: Psychology of Leadership  
Fall 2010: Clinical Internship  
Spring 2011: Bizarre Behavior & Culture-Bound Syndromes  
Spring, 2010: Clinical Internship  
Summer 2011: Psychology & History of Nazi Germany  
Summer 2011: History and Systems of Psychology  
Summer 2011: History and Systems of Psychology  
Summer 2011: Bizarre Behavior II  
Fall 2011: Psychology & Traditional Asian Thought  
Fall 2011: East Asian Warrior Cultures  
Fall 2011: Psychology of Leadership  
Fall 2011: Clinical Internship  
Spring 2012: Bizarre Behavior & Culture-Bound Syndromes  
Spring 2012: Psychology & History of Nazi Germany  
Spring 2012: Clinical Internship  
Summer 2012: History & Systems of Psychology  
Summer 2012: Psychology & History of Nazi Germany  
Fall 2012: Psychology & Traditional Asian Thought  
Fall 2012: East Asian Warrior Cultures  
Fall 2012: Psychology of Leadership  
Fall 2012: Clinical Internship  
Spring 2013: Bizarre Behavior & Culture-Bound Syndromes  
Spring 2013: Psychology & History of Nazi Germany  
Spring 2013: Personality Theory  
Spring 2013: Clinical Internship  
Summer 2013: Clinical and Abnormal Psychology  
Summer 2013: Psychology & Traditional Asian Thought  
Summer 2013: Psychology & History of Nazi Germany  
Fall 2013: Psychology & Traditional Asian Thought  
Fall 2013: East Asian Warrior Cultures  
Fall 2013: Psychology of Leadership  
Fall 2013: Clinical Internship
