- surgery and reconstruction of the other breast to produce a symmetrical appearance
- prostheses; and
- treatment of physical complications of all stages of mastectomy, including lymphedema

This coverage will be provided in consultation with the attending physician and the patient, and will be subject to the same annual deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you have any questions about our coverage of mastectomies and reconstructive surgery, please contact the Member Services number on the back of your medical ID card.

## Certificate of Creditable Drug Coverage

### \*\* IMPORTANT NOTICE TO ALL ELIGIBLE EMPLOYEES ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE \*\*

Please read this notice carefully and keep it where you can find it. This notice has information about our company's group health plan prescription drug coverage, and prescription drug coverage available for people with Medicare. It also explains the options you have under Medicare prescription drug coverage and can help you decide whether or not you want to enroll. At the end of this notice is information about where you can get help to make decisions about your prescription drug coverage. Our company's group health plan is, on average for all plan participants, expected to pay as much as the standard Medicare prescription drug coverage will pay, and is considered "creditable coverage."

Because our plan is considered creditable coverage, you can enroll and/or stay enrolled in our plan, and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare prescription drug plan. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

Individuals (employees and/or their dependents) may enroll in a Medicare prescription drug plan when they first become eligible for Medicare, and each year from October 15<sup>th</sup> through December 7<sup>th</sup>, the annual Medicare Open Enrollment Period, with coverage effective on January 1<sup>st</sup>. Individuals leaving a group health plan during other times of the year may be eligible for a special enrollment period to sign up for a Medicare prescription drug plan.

If you do decide to enroll in a Medicare prescription drug plan and drop your employer's group health plan prescription drug coverage, be aware that you may not be able to get this coverage back. See below for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

You should also know that if you drop or lose your coverage with your employer's group health plan and do not enroll in Medicare prescription drug coverage within 63 days after your current coverage ends, you may pay a higher premium (a penalty) to enroll in Medicare prescription drug coverage later.

If you go 63 days or longer without prescription drug coverage that is at least as good as Medicare's prescription drug coverage, your monthly premium may go up at least 1% per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may always be at least 19% higher than the regular premium. You will have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following Medicare Open Enrollment Period to enroll.

For more information about your options under Medicare prescription drug coverage...

More detailed information about Medicare plans that offer prescription drug coverage is available in the "Medicare & You" handbook. You will receive a copy of the handbook in the mail from Medicare every year. You may also be contacted directly by Medicare prescription drug plans. You can also get more information about Medicare prescription drug plans from these places:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information about this extra help is available from the Social Security Administration (SSA). For more information about this extra help, visit SSA online at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this notice. If you enroll in one of the plans approved by Medicare that offer prescription drug coverage, you may be required to provide a copy of this notice when you join to show that you have maintained creditable coverage, and are not required to pay a higher premium amount (a penalty).

### \*\* Notice to Employees \*\*

The Office for Civil Rights and Office of the National Coordinator for Health Information Technology have collaborated to develop model Notices of Privacy Practices for health care providers and health plans to use to communicate with their patients and plan members.

The HIPAA Privacy Rule gives individuals a fundamental right to be informed of the privacy practices of health plans and health care providers, as well as to be informed of their privacy rights with respect to their personal health information. Health plans and covered health care providers are required to develop and distribute a notice that provides a clear, user friendly explanation of these rights and practices.

Many entities have asked for additional guidance on how to create a clear, accessible notice that their patients or plan members can understand. In response, OCR and ONC have provided separate models for health plans and health care providers. The three options are:

- Notice in the form of a booklet;
- A layered notice that presents a summary of the information on the first page, followed by the full content on the following pages;
- A notice with the design elements found in the booklet, but formatted for full page presentation.
- A text only version of the notice.

The models reflect the regulatory changes of the Omnibus Rule and can serve as the baseline for covered entities working to come into compliance with the new requirements. In particular, the models highlight the new patient right to access their electronic information held in an electronic health record, if their provider has an EHR in their practice. Covered entities may use these models by entering their specific information into the model and then printing for distribution and posting on their websites.

- A covered entity must make its notice available to any person who asks for it.
- A covered entity must **prominently post** and make available its notice on any web site it maintains that provides information about its customer services or benefits.

Planes de salud y proveedores de atencion medica requieren crear y distribuir avisos que proveen explicaciones claras de estos derechos y practicas.

Muchas entidades an pedido por guianca adicional en como crear un aviso claro y accessible que sus pacientes y miembros del plan puedan comprender. En respuesta, OCR y ONC an previsto diferentes modelos para planes de salud y proveedores de atencion medica. Las opciones son:

- Aviso en forma de libreta
- Un aviso en capas que presenta un sumario de informacion en la primera pagina, siguiente el contexto entero
- Un aviso con elementos de diseño de libreta pero formado para presentaciones completas
- Un aviso con una version de texto solamente

En particular, los modelos se enfocan en reflejar los derechos que un nuevo paciente tiene el acceso a su informacion electronica que se encuentra en el expediente de salud electronico, si su proveedor tiene un EHR en su practica. Las entidades que estan aseguradas pueden usar estos modelos simplemente ingresando su informacion al modelo y despues imprimiendo para distribuir y subir a sus paginas de internet.

## CHIPRA STATE PREMIUM ASSISTANCE NOTICE

### \*\* Notice to employees \*\*

#### Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your State may have a premium assistance program that can help pay for coverage. These States use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to health insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, you can contact the Department of Labor electronically at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or by calling toll-free 1-866-444-EBSA (3272).

**If you live in one of the following States, you may be eligible for assistance paying your employer health plan premiums. The following list of States is current as of July 31, 2014. You should contact your State for further information on eligibility –**

## AVISO DE ASISTENCIA EN PRIMAS PARA CHIP

### \*\* Aviso al empleado \*\*

Asistencia con las primas bajo Medicaid y el Programa de Seguro de Salud para Menores (CHIP)

Si usted o sus hijos son elegibles para Medicaid o CHIP y usted es elegible para cobertura médica de su empleador, su estado puede tener un programa de asistencia con las primas que puede ayudar a pagar por la cobertura. Estos estados utilizan fondos de sus programas Medicaid o CHIP para ayudar a personas que son elegibles para estos programas, pero que también tienen acceso a un seguro médico a través de su empleador. Si usted o sus hijos no son elegibles para Medicaid o CHIP, usted no será elegible para estos programas de asistencia con las primas.

Si usted o sus dependientes ya están inscritos en Medicaid o CHIP y usted vive en uno de los estados enumerados a continuación, puede comunicarse con la oficina de Medicaid o CHIP de su estado para saber si hay asistencia con primas disponible.

Si usted o sus dependientes NO están inscritos actualmente en Medicaid o CHIP, y usted cree que usted o cualquiera de sus dependientes puede ser elegible para cualquiera de estos programas, puede comunicarse con la oficina de Medicaid o CHIP de su estado, llamar al **1-877-KIDS NOW** o visitar **www.insurekidsnow.gov** para información sobre como presentar su solicitud. Si usted es elegible, puede preguntarle al estado si tiene un programa que pueda ayudarle a pagar las primas de un plan patrocinado por el empleador.

Una vez que se determine que usted o sus dependientes son elegibles para asistencia con primas bajo Medicaid o CHIP, así como que son elegibles bajo el plan de su empleador, su empleador debe permitirle inscribirse en el plan de su empleador, si usted ya no está inscrito. Esto se llama oportunidad de “inscripción especial”, **y usted debe solicitar la cobertura dentro de los 60 días de haberse determinado que usted es elegible para la asistencia con las primas.** Si tiene preguntas sobre la inscripción en el plan de su empleador, puede comunicarse con el Departamento del Trabajo electrónicamente a través de [www.askebsa.dol.gov](http://www.askebsa.dol.gov) o llame al servicio telefónico gratuito 1-866-444-EBSA (3272).

---

**Si usted vive en uno de los siguientes estados, tal vez sea elegible para asistencia para pagar las primas del plan de salud de su empleador. La siguiente es una lista de estados actualizada al el 31 de julio de 2014. Usted debe comunicarse con su estado para obtener más información sobre la elegibilidad -**
