

## ***Accommodations for Disability Related Needs***

Most candidates who require accommodations should register via My Account. However, please note that they will not be able to choose their accommodations during registration.

Students needing accommodations for disability--related needs must be registered with Disability Support Services (DSS). Students requesting accommodations for CLEP must contact DSS at least two (2) weeks prior to the exam date he or she is registered for, to ensure that appropriate arrangements can be made. We may need to schedule a separate test date in order to make the necessary accommodation arrangements. Please contact DSS staff at [DSS@callutheran.edu](mailto:DSS@callutheran.edu) or 805.493.3260.
